June 2019:

Hello Friends,

"Grace and peace to you from God our Father and the Lord Jesus Christ, I am always thanking God for you." —*Paul's words to believers in Corinth.*

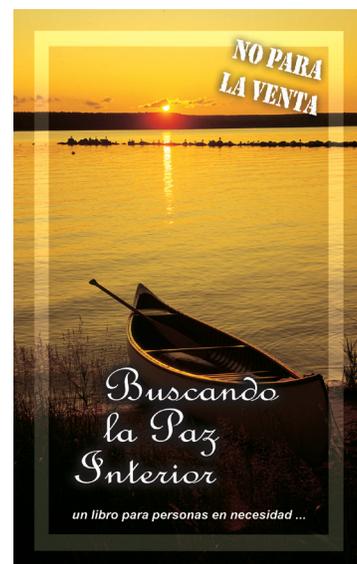

Judy and I have chosen Paul's words as our own to sincerely thank God for so many friends whose prayers and generous gifts have sustained us and blessed the Ministry God has appointed us, now for 40 years!

Judy continues to strengthen from the painful injuries of a broken fibula, a bruised and twisted ankle and broken knee cap—this as a result of a fall on the steps in our home. Although a little over a year has come and gone since that injury, there is a noticeable limp with her injured leg. Exercise, massage and "pain creams" offer some relief. I will not belabor my "Parkinson's" report trying to trace backward in time. Noticeable symptoms that told me something was "out of order" suggest that I am likely 9-10 years along in this process. The strong memory that served me *so well* for so many decades has faded noticeably. Some may be tempted to reason "Alzheimer's," but this is all symptomatic of Parkinson's at its best! I have difficulty sleeping at times, but praise God, I think I am doing quite well under the circumstances.

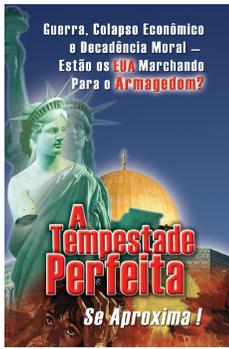

With some help and renewed strength from God, we have planted a nice garden that offers sunshine and exercise, and yes, fresh food! We praise God for His ongoing blessings to us and our family. Communication is very difficult with Parkinson's. I find it increasingly frustrating trying to pull my thoughts together, but God has given us another day, and another mile and continues to uplift us with His Holy Spirit, and guides the humble Ministry we represent. My condition hasn't improved, and has become a companion that needs to be managed constantly. Your prayers and letters are always a comfort. God is good and His grace is sufficient. We say again, we love you and ask for your understanding and continued support. Your love and our work is what keeps us going. Thank you for your prayers.

Tony Harriman has just returned from his 4th visit to **Cuba!** He has prepared an exciting report (**DVD enclosed with this letter**) fresh from this struggling Caribbean Nation. As Venezuela sinks deeper into revolution, Cuba (an ally of Venezuela) is bracing for social unrest as tensions rise yet again between Cuba and the USA. The 35,000-member-strong Cuban Adventist Church is busy reaching neighbors for Christ. Religious tolerance in Cuba is good *right now*, and the Church is busy working with whatever evangelistic materials they can get their hands on.

So far we have sent almost 200,000—yes, you read that right—*200,000 pieces of literature* into Cuba. They've asked us for more. In faith we are committing to printing and shipping another 25,000 copies of our "Buscando la Paz Interior" (Spanish *Steps to Christ*). A faithful sister in Christ has donated 25,000 copies of the small Spanish tract "Una Carta de Amor de Jesús" (A Love Letter from Jesus), and these will be included with our shipment. This project can be accomplished for just **\$12,000.00**. Your gift, of any amount, will be greatly appreciated. Please mark your check "**Cuba Project**," or call Elmira on (205) 646-3222 to make a credit card donation.

Over please

On the heels of our work for Cuba come calls for **books for Brazil**. We have received an urgent appeal from David Gates of Gospel Ministries International, a strong supporter of our book work and mission. David has challenged us to publish a Portuguese translation of "*The Perfect Storm Is Coming!*" It is now fresh and ready to go to press, only funds are needed. There is an increasing call from workers for books in Portuguese for Brazil. Brother David will be responsible for shipping the books. He has a network of supporters in South America eager to be involved in this most important distribution. Brazil is a nation of 210 million people, the second-largest population in the Americas after the USA. David can manage four pallets of books at a time; that equals out to 32,000 books, which will cost us **\$20,000.00** to print. If you want to help us meet these expenses mark your check "**Brazil Project**," or call Elmira.

Our **Community Mailing** project is ongoing. Currently a booklet may be sent to a US address for as little as \$1. If you would like to mail a minimum of 200 books or booklets into your community, or a community of your choice, simply call Lary Petty on (205) 646-3222. Lary will discuss the numbers and publication options with you.

The miraculous **Prison Ministry** that Elmira and Dan Love have shepherded for more than 17 years continues to have a blessed impact on the lives of so many behind bars and beyond. In the last 12 months we have mailed out 13,710 books to prisons across the country. The cost of postage alone was more than \$12,000.00. "Thank you!" from the many prisoners who have received the publications and "Thank you!" from their relatives who have also received books because YOU cared enough to include this worthy project in your giving! We cannot do this work without your support! **THANK YOU!**

If you're watching the news and reading the Scripture, you'll know that we are living in troublous times. Tensions on every hand threaten our planet and what little peace we enjoy. Yet again the wave of hostility between Iran and the US is pointing to prophetic events. The behavior of humanity, when you think morality could sink no lower, reaches a depravity that staggers the watching world. **Surely the end is near!** What more could Heaven be waiting for?

Amid all of this clamor, voices continue to rise begging for evangelistic materials with which to save a perishing world. I am praying that God's Spirit will move you with the same excitement we are experiencing here. Thanks be to God for His continuing miracles to keep our doors open and to keep the multiplied thousands of Christ-centered publications flowing through them! And although I am not able to visit you and conduct my Seminars like I used to, I want to encourage you to open again my older Seminars; they are more relevant than ever. Events in the world are clearly lining up with God's Word. **For your donation of any amount I want to send you the DVD set "Iran Is Next!"** This series was presented in 2005 to a non-Adventist audience in Medina, Ohio. The content couldn't be more current. **Simply indicate you would like to receive it by checking the response box.**

Your prayer requests, of course, are important to you, and they are also important to us. Be assured that we read each request faithfully during our morning worship and we petition our Heavenly Father on your behalf. God has not lost sight of any one of us, and prayer still changes things. We invite also your prayers for us and our humble Ministry. We are small, but with God's help we are doing a large work. Thank you for allowing us to be a part of your evangelism.

On behalf of myself, Judy and all the Staff here at Mission World, God's blessings to you.

Charles E. Wheeling
Founder and President
