

Tea, Anyone?

Across the land, people are restless

From one side of our world to the other, there appears to be cause for unrest and concern; our livelihoods being sucked up by one institution or another. Banks, investment groups, retirement plans and more have been caught with their hands in the till. And people are getting frustrated—*really frustrated*.

If we didn't have access to the prophetic words of Scripture, it would be easier (and more justified) to look for a better day just a little over the horizon. But, unfortunately, we have access to a more sure word

of prophecy that tells of troublous times a-coming, wars, predictions of war, famine, pestilence and... *earthquakes*; seen any of those in the news lately? Buckle up! Things are about to get bumpy.

Recently here in the USA we have witnessed the emergence of what has become known as the Tea Party Movement. And whether or not you agree with this Movement's agenda, it would be a mistake to not recognize that this is a growing force of people to be reckoned with. It was people like this that wrested and delivered the American colonies

from the tyranny of the Crown and Parliament in London. Yet all those taxes that seemed so unbearable, now don't look half as bad as they did 200+ years ago.

In our office we are constantly looking for opportunities to facilitate the scattering of Good Seed. And these Tea Parties appear to us to be providing an excellent opportunity to put information about the bigger picture into the hands of people who have the power to bring about change—*real change*, change that actually matters; not just change that irritates. Most of the people attending these meetings are of a Christian persuasion, willing to receive material supporting what they believe to be God's will for America. Take this opportunity to broaden the perspective.

We are looking at the calendar and trying to make some plans to ship and carry books to some of the more significant Tea Party Rallies across the country. Are you interested in playing a part in the making of a new history? Is there an event scheduled to take place in your town, your city, your neighborhood? Right now would be an excellent time to set aside funds for the purchase of some of our books to give away. You probably have some experience giving away literature, but if you feel you need someone to help you, let us know; there are people scattered about the country who would be very willing to help you with such a worthy endeavor. Get involved—*before the tea runs out!*
