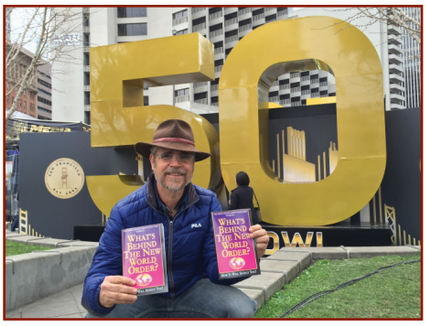
The Party's Over!

The streets are clean, and the seed is sown ...



Many are the ways of Heaven to reach the souls of men. God could very likely do a fine job all by Himself, but for some strange reason God still chooses to use people as instruments to reach people. The natural world is full of object lessons regarding like reaching like: water travels by water; air travels by air, and trees reach up to the sky using trees as their mode of transport. We don't have to understand it, we just have to recognize it.

With much prayer we answered a call for books to be distributed in the San Francisco Bay Area during Super Bowl week. Volunteers came forward, plans were made, and it was decided to send 12,000+ books to the West Coast a week ahead of the Big Game. The Bay Area played host to a large number of events and conventions related to Super Bowl history, and volunteers were on the streets passing out our books.

The West Coast of the USA is largely indifferent to religion, but fiercely interested in American affairs. With that thought in mind, it is no surprise that the most popular book among the people was our 80-page publication "What's Behind the New World Order?"—just a small publication containing excerpts from The Great Controversy focusing especially on end-time events.

Twelve thousand books; just a drop in the bucket in the overall scheme of things, but twelve thousand books nevertheless. All week long revelers and visitors from across North America trod the streets of The Bay Area, mostly unaware that Heaven had an interest in them. The Game is over, the people are gone, but many of them took good seed home. These books now sit quietly, awaiting the season (none know when that season might be for some soul) when the Spirit shall cause inquiry.

So where to from here? What will be the next appointment? Only Heaven knows. Is God speaking to *your* heart? Is there some event near you that could be the next on the Heavenly Schedule? Is there some event around the country—*or around the world*—that you'd like to sponsor or support? Let us know.

Consider sponsoring a neighbor-hood Community Mailing; call Lary Petty @ (205) 646-2941 for details on how as little as $200 can go a long way on the evangelistic battlefield.

Whatever you do, do something. Time is winding down for our little world adrift the heavens. Very soon there will be time enough to rest and relax in the Lord—but not yet. Thank you for your support. Keep up the good work. ***Now Get Out There!***
