

## Other Sheep Have I ... No matter our persuasion, we are all creatures from the hand of the same God

It's estimated that there are more than a billion Muslims scattered through the world. From any perspective, the task of sharing Christ as their Redeemer is a daunting one.

Several years ago we prepared an Arabic translation of our publication *What's Behind the New World Order?* When the time appeared right, we printed several thousand copies and sent a large portion of them into the country of Egypt. Organizers and volunteers met the books upon their arrival, and began the job of distribution.

Within 15 minutes, every last volunteer, with their books, had been gathered up and taken to the local police station—for their own protection, or so they were told by the officers in charge. The sad fact about that assertion, was that it was true. The Muslim world presently is not much different from the Christian world which held sway during the Dark Ages. Tolerance

for any new, or larger, thought is discouraged. So once the contents of the booklet had been interpreted as sympathetically Christian, the Muslim mind could perceive nothing but a threat; had the local police not intervened, a riot would have ensued, and the volunteers' lives would have been in danger.

Well, here we are again. Our inventory shows that we have yet in our warehouse a number of books in the Arabic tongue. And they need another home. Anyone who watches, listens to or reads the news will agree that our Arabic brothers and sisters need all the help they can get; though it's a shame that any worthwhile change seems to cost so much blood.

For safety's sake, we won't give you too many details right now, other than to say that plans are being considered whereby we may scatter the light which these books contain throughout regions of the Arab World. We solicit again your prayers of support.

After all these years of ministry, we find two truths to be clearly evident: much work has *been* done, and much work *remains* to be done. We are grateful for your support in the past and we humbly seek your prayers and financial support as we continue in the path that God lays out for us. Thank you.
