

A Work Second to None Maybe you're familiar with the expression

WHAT DOES THAT MEAN?

If you're second to none, what are you? You're number one. You're the first. There's no one and no thing before you. In the book, *Colporteur Ministry* by Ellen White, on page 7, under the heading "Second to None" appears this short passage:

"If there is one work more important than another, it is that of getting our publications before the public, thus leading them to search the Scriptures When church members realize the importance of the circulation of our literature, they will devote more time to this work. Papers, tracts and books will be placed in the homes of the people, to preach the gospel in their several lines"

And there is another promise just a few pages away on page 128:

"The results of the circulation of 'The Great Controversy' are not to be judged by what now appears. By reading it, some souls will be aroused, and will have courage to unite themselves at once with those who keep the commandments of God. But a much larger number who read it will not take their position until they see the very events taking place that are foretold in it. The fulfillment of some of the predictions will inspire faith that others also will come to pass, and when the earth is lightened with the glory of the Lord, in the closing work, many souls will take their position on the commandments of God as the result of this agency."

The Great Controversy (GC) was introduced to the world in various forms more than 100 years ago. Many canvassers, God rest their souls, have gone into the grave awaiting the fulfillment of the grand themes presented in the GC. As have the people to whom the book has been delivered. Can we agree that most of the predictions made in the GC are still awaiting fulfillment? Has the Papacy been reinstated in its former glory? Has the USA thrown away the Constitution? Has Satan personated Jesus? Some of these things have looked awfully close from time to time, but we're still waiting.

With so many people coming into the world daily, can we honestly say, "We've done enough"? Of course not. We are still here because clearly ALL which has been predicted has not come to pass, and ALL the Heavenly work has not yet been completed.

Obviously, book distribution is not the only work the Christian will find to be successful, but, for whatever reason, it appears to be an important one. God is interested in getting the truth contained in the Scriptures into the minds of the people — not just our interpretation of the truth. He wants the soul to have a personal relationship with the Scriptures, and with the Creator to be found within the pages of Scripture.

As a group involved in the distribution of truth-filled literature, we've scattered lots of seed — more than 50 million publications and

counting. Some of the seed has sprung to life immediately; some took a while. But, if the author of the books is correct, much of that seed is sitting awaiting a Cultivator. We've seen wonderful results, but there is yet a tremendous harvest just ahead.

Notice this:

- Anyone with natural endowments can give a book away
- Anyone can support another person in his or her mission to give a book away
- Anyone can offer a prayer to the throne of grace for the spiritual support of the work of giving books away.

Thank you for your continued support as we obey the call to scatter books like the leaves of autumn. God grant us wisdom, strength and peace as we strive to be all that we can be in the army of Heaven. We shall see Him by and by. Amen.
