

The Word Goes On ...

Effect following cause unerringly ...

OVER THE CENTURIES THE WORK OF GOD HAS taken many forms. Sometimes the work has been slow. At other times progress has been rapid. Some might argue that more has been done in the Cause of Christ since Jesus left, than when He was here. Perhaps. But if God was in it, then God was for it and involved, no matter whose name was on the work order.

Over the years our Ministry has been operating, we have seen both miracle and disappointment. From the public at large we have received letters of praise and commendation, as well as letters of hate and condemnation. But the books we distribute (most often freely) sing the same song today as they did a hundred years ago. The only change has been the covers the books display, and the world they travel through. We have had something to do with where in the world the books have landed, but very little to do with how they were received.

There are two prominent times when the books are readily received with thanks: when the world is unsettled and when borders have opened that once were closed—Russia and the

countries of the Former Soviet Union come instantly to mind. This year, 2016, is a year to watch. No doubt you are aware that the world is watching as the United States elects its new leader for the following four years. Perhaps you are also aware that Cuba has begun the process of allowing open evangelism within its shores. Many Christian ministries are lined up to flood the Cuban population with their wares. And so are we. The minute we get the green light to go, we'll be on our way with our Spanish books.

And who knows? Will the Chinese Dragon fall as quickly as the Iron Curtain? Right now the boat to open evangelism in China is a slow one. But that may change ... and more quickly than we are ready for.

To every country we have a language for, our books go out of our doors by the ton ... weekly. On our website are a total of twenty-nine books in multiple languages which are available for FREE download—from anywhere in the world! With your consistent help we have been faithful in our task and to our calling. We are in the Book Ministry, and with your help we have held our lamps high.
