A Blessed New Year to Our Extended Mission World Family

On a Sober Note:

Inspiration Books East (IBE) / Mission World has been sharing truth-filled publications for more than 40 years. We've printed and distributed millions of copies of Ellen White's books which were prepared for public reading: "*Steps to Christ*" "*Christ's Object Lessons*" "*The Ministry of Healing*" and, of course, "*The Great Controversy*." You might know these titles under the modern headings we've given them: "*Finding Peace Within*" "*Hidden Treasures*" "*Health and Happiness*" and two headings for GC—"America in Prophecy" and "*Will America Survive?*" (same book, two titles). In addition to these full-text publications, we have prepared a handful of smaller publications focusing more on end-time topics: "*Who Are the Angels?*" "*What's Behind the New World Order?*" "*The Perfect Storm Is Coming!*" and our latest, "*Moral Midnight Before the Dawn*." Many of our publications have been prepared in multiple languages and have been shared around the globe, and are freely available on our website.

Because we believe in the saving information contained in these books, throughout our many years of operation we have offered these publications at prices way below the actual cost of the book. Not only have we subsidized the cost of the book, but with your help we've even paid the shipping across the USA and beyond. It's important to us that the information be made available at a cost that makes it easy for God's people to share freely.

People like yourself have made it possible for us to provide a service, not just in the USA, but around the world, including such hard-to-reach places as China, Cuba, the Middle East and others. Millions of these publications have been shared as part of Mission World at no cost at all to the evangelists, missionaries and volunteers on six continents (Antarctica excluded).

Our ongoing Prison Ministry has reached into prisons and touched the lives of thousands over these many years. We've responded to every request for publications, publications that have changed lives bound for the Second Resurrection. Many of you may be familiar with the testimony of Wyatt Allen, a young man once in the prison system, who is now a travelling evangelist for the Church. Yes, we, along with others, enjoyed a role in that play.

The story for planet earth is not over yet. There is much left to do, and little time in which to do it. Now is the time for us to draw closer together and find ways to save those who are ignorant of the ongoing war for the souls of mankind and the soon return of Jesus. Of course, it is Jesus Who will break and warm the heart; it's left to us to draw them closer to the fire.

Right at the moment we are in desperate need to reprint three titles:

"Will America Survive?" "Health and Happiness" and our Spanish Angel book "¿Quienes Son los Angeles?" We won't pull any punches when we tell you that to print a reasonable, substantial number of these titles (25,000 copies of "Will America Survive?" "15,000 "Health & Happiness" and 25,000 Spanish "Angels") will have a price tag close to \$75,000.00. Looking through an eternal telescope, this is nothing. Our God is able to provide for this need; if you feel Him tugging on your heartstrings right now, don't delay—**NOW IS THE TIME TO RESPOND!**

As we come into this New Year won't you consider going just that little bit farther and make a sacrificial offering to the Ministry of IBE. You've come this far on the journey with us, and we have each been blessed for our efforts. Only eternity will be able to tell the untold stories of lives that you have touched and changed because of your support of this little Ministry.

On a Sad Note:

We were sorry to lose our beloved Sister, Elmira Love, this past year, after a long battle with illness. Elmira worked with IBE for thirty-eight years, wearing many different caps throughout her time here, from answering the phone to filling and mailing orders, as well as managing the Prison Ministry aspect of our work. Elmira is missed on so many levels.

May God bless You and Yours, and may your courage rise to meet the challenges this coming year will bring. We pray for you. Please pray for us.

Maranatha!

**Tony Harriman (President)
and your Mission World Family**

"*The Great Controversy* should be very widely circulated. It contains the story of the past, the present, and the future. In its outline of the closing scenes of this earth's history, it bears a powerful testimony in behalf of the truth. I am more anxious to see a wide circulation for this book than for any others I have written, for in *The Great Controversy*, the last message of warning to the world is given more distinctly than in any of my other books."

-Letter 281, 1905 (quoted in *Colporteur Ministry*, p. 127.)
