

Is There Anybody Out There?

Though often hard to detect, there really are souls waiting to be found ...

THE TEMPTATION TO UNDERESTIMATE THE EFFECT of patient evangelist efforts is powerful. People of 21st Century Earth expect results—*NOW!* Long gone are the days of “saving up” for this or that item; today, if we want it, we charge it, and pay for it later. People with very little time to waste prepare their food from packets, or go out to restaurants offering a meal within 7 minutes of their order ... *guaranteed*. Very few of us take the time to plant

seed in the garden and wait for it to complete the process of growing and offering food to eat. In much of the northern hemisphere we live our lives with an impatient mindset. We want it, and we want it—*NOW!*

Believe us, we’d love to tell you that our work is charmed, that unbelievers are ringing our phone off the hook with requests for literature pointing them to Heaven. But that’s not the case. Occasionally, though, the mailbox bursts open with good news, and the phone rings with a song of gratitude. Like this one:

“Who are you people and why did you send me this book? Yes, I read it. Actually, I really enjoyed it. I’ve been keeping the wrong day of worship all my life, and didn’t realize. My daughter and I are going to visit a local Seventh-day Adventist Church this weekend.

Thank you for your gift, it’s changed my life.” The above response from a *Community Mailing* in Oregon.

Faithful people just like you are using our mailing service to share seeds of truth with their neighbors and beyond. Our program for *Community Mailing* is being used by amateur evangelists from all walks of life, from the armchair type to the young professional. Christians with one eye in the Bible and the other on the evening news are recognizing closing scenes scrolling across the world stage.

This time last year we began a campaign to mail books into the neglected states throughout the Union. With your financial support, tens of thousands of books continue to pour into North Dakota. South Dakota and Alaska are next in line, so if you have an interest in those states,

please keep us in your prayers and financial considerations, and help us spread the Word—*NOW!*

Many millions of publications have gone out of our doors since we started the *Community Mailing Program* in 1989. From your perspective, the process is simple: you hire us to do the work for you. In most cases one dollar will package and mail a book or booklet to any home in the USA and its territories. For a minimum of \$200 you can mail 200 identical publications to 200 homes, in your neighborhood or far beyond. Call Lary Petty today to arrange a mailing (205) 646-2941.

You’re doing a great job —

Keep it up!
