

but a last-minute check of the costs revealed that for just a few dollars more, we could print the booklet in full color throughout. The project was put on hold and a whole new revamp process began.

When the booklet first came off the press, it arrived, by design, with one-color text and a full color cover. So with simple black type and limited graphics, the booklet was printed in English and umpteen other languages, then spread across every continent but Antarctica (*we were never able to locate anyone that could translate into Penguin*). Millions of copies of the booklet were printed, and thousands of volunteers around the world took on the task of distributing the

In concept, the booklet consists mainly of excerpts from the book *The Great Controversy* focusing on the progress of the Christian Church from the time just before Jesus left through to the day of His return as a King in glory. In the updated version the same grand themes are developed, but included are updated quotations from sources worldwide. Some of the old English from the 19th Century has been adapted and modernized to reach today's reading audience.

Many hearts and minds were touched by the truths contained in the original booklet; in fact, people still write in to us, having been recently given a copy by a friend, asking for more information. In Ireland, where we distributed a different publication, we offered a free copy of *NWO* by including a postcard in the book offering a free copy of *NWO*; sixteen years later postcard requests from Ireland still arrive in our mailbox.

This new version of *NWO* is taking time to prepare; more time than the original. But we believe you will be convinced that it was worth the wait. We know the job is worth doing, so we believe it's worth doing well. Be patient; you will not be disappointed.

As always, we are grateful for your support—in prayer, finances and for being an extension of the work we are trying to do. Our ministry is humble (if you've ever visited, you will have recognized that), but our work is noble. And there is much left to do.

Your Mission World Family

Slowly But Surely ...

As the saying goes, "If the job's worth doing, it's worth doing well."

Back in January we reported that our *New World Order* booklet was ready to go back to press. The booklet had been reset, the press time was more or less reserved;

precious seed. During its lifetime, we gave away millions of copies of *NWO*, and the booklet still enjoys an ongoing electronic distribution from our Website by free download.

"QUOTABLE"

"Nothing is impossible for the man who will not listen to reason."

—John Belushi (Oh, how many a true word is spoken in jest).

Community Mailing®

is still one of the most efficient, cost-effective ways of quickly scattering *Good News* across the United States—English and Spanish.

To arrange a mailing to any US Zip code, call Lary Petty on (205) 646-2941

"The work which the church might have done in a time of ease and prosperity, she will be forced to do under the most forbidding circumstances."
