"What's Going On Around Here?"

Let's take a short walk about the office

One more year closer to the end of all things. It really is bewildering to watch the time fly by. As we watch the world in its confusion, seeking to make every opinion better than the next; every language better than the other; each religion better than yours, it is saddening to witness our God being forced to fit within the walls of this or that box.

Here at Mission World we consider it a privilege to be a part of a vast network of laborers in the vineyard of the King of Kings. No matter at which stage we engage in the battle against the forces of darkness, our labor makes a difference. Whether on the front lines, or feeding the forces, or patching up the wounded, our efforts count.

Our efforts for Texas continue with your help and by God's good grace. You may recall earlier this year we embarked on a mission to deliver 240,000 copies of "The Perfect Storm Is Coming!" to 23 cities across the State of Texas. To the date of this writing we have delivered 143,000+. From Austin to Midland, homes have either received or have been promised a copy of The Perfect Storm. Visit ThePerfectStormIsComing.org and click on the Texas Project; from there you will be given the opportunity to

keep track of progress, and to support as you wish. \$1 equals 1 book delivered to one address in one of those cities listed. No gift is too small, and no prayer is unheeded for these homes in Texas.

Let's talk about Cuba To date with your help we have sent almost 300,000 pieces of literature into this, the largest Island Nation in the Caribbean. The favored book by the Cuban Union so far has been "Buscando la Paz Interior" (our Spanish version of Steps to Christ), along with a small tract (in Spanish, of course) entitled "A Love Letter from Jesus." Throughout the entire length of the Island, across 5 delegations, these books and tracts have made their way into the homes of the locals. We have a new publication (in Spanish) that we are wishing to send into the country: Moral Midnight Before the Dawn. Visit our website and click on the image of the book; there you can read and share the English version. To send 50,000 copies of this book into Cuba will cost in the region of \$25,000.00; that's print and delivery and everything in between. Scan this QR code to make any donation you wish, or simply use the tear-off

below (your kids or grandbabies can help you with the modern technology).

We have a Swahili version of the Perfect Storm booklet. Several countries across Africa speak Swahili, and we would like to find a way to reach them with this booklet. Right now we have no clear picture for printing and shipping, but we are sure God has a plan He would love to share with us. Please keep us in your prayers as we consider how to handle this the best way.

Those of you who are using the Community Mailing Program, please keep it up. Remember, the mail carrier goes everywhere you want to be, and it's still affordable. Visit our website for more details on available books and prices. A minimum of 200 addresses is all it takes per job.

Our nationwide prison ministry continues its quiet march. Facilities across the country benefit on a monthly basis from the gifts you give toward this vital work. Thank you on behalf of the many lives changed and the precious seed sown.

If Heaven appears to be quiet right now regarding events transpiring on planet earth, it is by choice, not complacency.

Be brave, and make it count. It's so much later than we think.
