

## What a Year *that* Was! Buckle up ... here we go again.

**NEVER A DULL MOMENT IS A PHRASE THAT WAS probably invented by a soldier, a conscientious parent or a small-town doctor. Or perhaps it was coined by an evangelist who had a burden for souls. Whichever, we get the idea that, for anyone who cares, there is always something going on that demands our attention.**

The past year was a steadily busy time for us. And honestly, that's just the way we like it. We've had a constant supply of publications passing through our Community Mailing Program, as well as a stream of books flowing into North Dakota, our project of choice for light shining into lesser-visited States in the Union. The mail carrier delivered many tens of thousands of books for us in 2013.

Our supply of books to college campuses across the country is ongoing and will remain active until we can do it no more. Volunteers are still in the process of scattering light through our country's Halls of Learning. This is *definitely* a project worthy of support.

We are in the process of preparing our publication "The Perfect Storm Is Coming!" for distribution among the French-speaking nations on the planet: Europe, Canada, the Caribbean, Asia and parts of Africa. A few more months and this will be ready to go to press. Your prayers and support for this project are encouraged.

As always, there is an endless supply of books being used by busy evangelists like yourself. Every day the phone calls come from eager souls wanting to take our books to some corner of the country or beyond. We are honored to have a part in the worthy work being done for our fellow man.

Last year scores of Sabbath Sermons were added to the list of those available to watch 24/7 at *ThePerfectStormIsComing.org*. Also added to our website were several translations of our popular booklet "What's Behind the New

World Order?" including Greek and Arabic. If you haven't visited our site in a while, check it out today; there are many **FREE** tools available for your use in evangelism.

This coming year we are expecting more than a million publications to pass through our doors, and hopefully many more will go directly from the press into the mail system. We already have a mailing plan laid out; now we just need the books.

Part of the message carried by our books includes the blessing of the Sabbath Day. Without this Day of Rest we would be unable to recover from the onslaught of life and living. It's good to be busy. But it's also good to rest. This matters. So work hard — but rest well.

Thank you again for keeping us busy. *Your Mission World Family*
