

Down, Down, Down Gravity's working so well, things are grave ...

SLOWLY, SLOWLY, SLOWLY, THE WORLD CHANGED; so slowly, in fact, that Western society has almost completely sunk back into the kind of behavior that was more common in Greek and early Roman culture ... *with few people noticing.*

Think about it: here in our Western World there was once a time when our schools and colleges taught our children and youth the true origin of our earthly home, the Nature and Fall of Man, the Sacrifice of Christ to restore us, and of a Heavenly world to come. Marriage was taught to be a Holy Communion between one man and one woman.

Our public educational institutions are now required *by law* to teach Evolution Theory to our children. County clerks, in a growing list of counties, are required *by law* to provide marriage licenses to same-sex couples wishing to be married. Initially it may seem to be a step *up* the intellectual ladder to embrace, or to at least consider, other ideas of origins, and other ideas of matrimony. But for the honest Christian, these are steps *down* the ladder of morality.

If you are looking for food for your own mind and for the minds of others

that will strengthen the resolve to stand for what is right, we will offer you, in a few short sentences from just one of our books *Health and Happiness*, a handful of thoughts designed to elevate the humanity of man.

First: Creation —

“The things of nature that we now behold give us a faint conception of Eden’s glory ... Nature testifies that One infinite in power, great in goodness, mercy, and love, created the earth, and filled it with life and gladness. Even in their blighted state all things reveal the handiwork of the great Master Artist. Wherever we turn, we may hear the voice of God, and see evidences of His goodness.” *Pages 287-288*

“God’s handiwork in nature is not God Himself in nature ... while nature is an expression of God’s thought, it is not nature, but the God of nature, that is to be exalted.” *Page 289*

“Through perverted educational processes he [Satan] is doing his utmost to obscure heaven’s light. Philosophical speculation and scientific research in which God is not acknowledged are making skeptics of thousands [in our schools today].” *Page 313*

Second: Marriage —

“No work entrusted to human beings involves greater or more far-reaching results than does the work of *fathers and mothers.*” *Page 243*

“He Who gave Eve to Adam as a helpmeet, performed His first miracle at a marriage festival. In the festal hall where friends and kindred rejoiced together, Christ began His public ministry. Thus He sanctioned marriage, recognizing it as an institution that He Himself had established. He ordained that *men and women* should be united in Holy wedlock, to rear families whose members, crowned with honor, should be recognized as members of the family above.” *Page 247*

“Let a young woman accept as a life companion only one who possesses pure, *manly* traits of character, one who is diligent, aspiring, and honest, one who loves and fears God. Let a young *man* seek one to stand by his side who is fitted to bear *her* share of life’s burdens, one whose influence will ennoble and refine him, and who will make *him* happy in *her* love.” *Page 249*

In this series of steps down the entire Creation Week of events comes the next institution in line: that of the seventh-day Sabbath ordained at the end of the Creation week. Make no mistake, the enemy of souls has not forgotten that our Creator has a Day in the week acknowledging His right to create ... and to marry.
