

## Restoring Honor DC gets another visit from us....

**R**ecently volunteers passed out thousands of copies of our booklet "The Perfect Storm Is Coming!" and shared with us some of the pictures from the event in Washington, DC. You'll recognize Glenn Beck and Sarah Palin, two main speakers at the event on the last weekend in August.

**Was it Hillary Clinton who said** that we should not waste a good crisis? Well, in that vein, we consider it a shame to waste a good crowd—especially a crowd of Americans interested in their place in the world's society.

**Over the past couple of years** we have given away thousands of pieces of literature in and around the Washington, DC area. DC has a special place in our hearts; that's where the world has changed—many times in the last several hundred years. Understanding the

importance of this relatively small lump of America, the Colonial British tried unsuccessfully to capture it. Martin Luther King, Jr. changed the world *right here*.

**Washington DC is still one of** the few places in the world where citizens may gather peaceably and demonstrate against what they consider to be a moving away from the original values of their government. Whether you agree or not with the politics and values at play, this is the place where things change, and these are the people who will do the changing. With that in mind, we believe that our occasional presence in the Capitol provides an excellent opportunity to give the people a chance to make a choice on some of the bigger issues: heavenly allegiance and avoiding spiritual deceptions.
