## **Moral Midnight Before the Dawn**

48-page Full-color Booklet to Add to Your Evangelistic Toolbox

*Excerpts from the Great Controversy, the KJV, NCV, ESV and Much More ....*

The “**Moral Midnight**” booklet might be considered a stepping-stone publication to share after you’ve given a person a “*Steps to Christ*” or a “*Finding Peace Within*.”

**You want to share broader aspects of your faith**, and you want to lead your friend or loved one into more of the teachings of Jesus, the patriarchs and the apostles. This is a publication for you to seriously consider adding to your evangelistic toolbox.

**Of the publications we offer**, this small booklet brings into focus the very necessary work of Jesus which has been going on in the Heavenly Sanctuary since He left the planet two thousand years ago—a *mysterious work, to many Christians*.

**The “Moral Midnight” might be just what you need.** Visit our website *ThePerfectStormIsComing* and download the free ebook; feel free to share it with your friends and loved ones.
